Augmented Norm-Referenced Test
Grade 5

The following is the general guide that will be used to evaluate your answers to open-response questions.

Kentucky General Scoring Guide

SCORE POINT 4	• You follow all directions and finish all parts of the question. • You are able to answer the question clearly so that others can understand. • You show that you completely understand the information that is asked about. • You show and/or explain the quickest and best way to get an answer. • You are able to show and explain what you know by using complex examples, by showing connections between ideas and the real world, by comparing different ideas, and/or by showing how the ideas work together.
SCORE POINT 3	• You follow the directions and finish most of the parts of the question. • You are able to answer the question clearly so that others can understand. • You show and/or explain that you understand the big ideas about the question but there may be a few little mistakes or wrong ideas.
SCORE POINT 2	• You follow some of the directions and finish some parts of the question. • Your answer may not be complete but it is clear so that others can understand. • You understand only parts of the information to answer the question.
SCORE POINT 1	• You understand only a small part of the information asked for in the question. • You only answer a small part of the question.
SCORE POINT 0	• Your answer is completely wrong or has nothing to do with the question.
BLANK	• You did not give any answer at all.
