

FastBridge earlyReading Assessment Renaissance

Universal Screener

| Variable | Details |
|------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | The FastBridge earlyReading is a set of curriculum-based measures that assess specific foundational reading skills in kindergarten and grade 1. For each grade and season, a subset of four is recommended for universal screening. This yields an earlyReading composite score that is weighted to provide a prediction of general reading proficiency and identify students at risk. |
| Assessment Type | Universal Screener |
| Cost | \$8.00 per student for earlyReading and aReading |
| Frequency | 3 - 5 times per year |
| Length | 1-2 minutes per assessment per student |
