

HB 1 (2022 Special Session) – Eastern KY Flood Disaster Relief

Districts listed below may request the Commissioner of Education waive up to 15 district wide attendance days through January 20, 2023 due to flooding. Coding in Infinite Campus can be completed before or after receiving approval letter but must be correct before submitting Amended Calendars. If using disasters days at the beginning of school don't forget to include O: Opening Day before the first student attendance day. As always school level emergency days may also be requested.
