

KOSSA and Industry Certifications 2013-2014

A certification must meet the criteria identified below to be considered for federal Perkins Accountability and the Career Readiness component for Kentucky Department of Education College/Career Readiness Accountability.

1. Recognized, endorsed, or required by industry
2. Written and verified by national or state industries
3. Curriculum and certification aligned with state and/or national standards
4. Certification must be an end of program assessment related to the student's identified career pathway achieved through a sequence of courses.

A student must be preparatory in a career pathway, receive a related industry certification/KOSSA and meet the benchmarks on ASVAB/WorkKeys to be considered Career Ready.

Career Ready – the level of preparation a high school graduate needs in order to proceed to the next step in a chosen career, whether that is postsecondary coursework, industry certification, or entry into the workforce.

Preparatory – A Student who has completed two career and technical education credits in a preparatory program and is enrolled in the third credit course(s).

Sequence of Courses – A sequence of progressive, non-duplicative courses that result in earning four credits in career and technical education occupations, careers, or professions.

***The tests listed are Industry tests for PROFESSIONALS, and require a minimum of 2 years work experience to receive the credential, but can still count as an industry certificate.

The Kentucky TRACK Pre-Apprenticeship Certification is currently in pilot stage for the 2013-14 school year and is only applicable for schools previously contacted for this pilot.
