

FAFSA Completion by High School for the Class of 2015

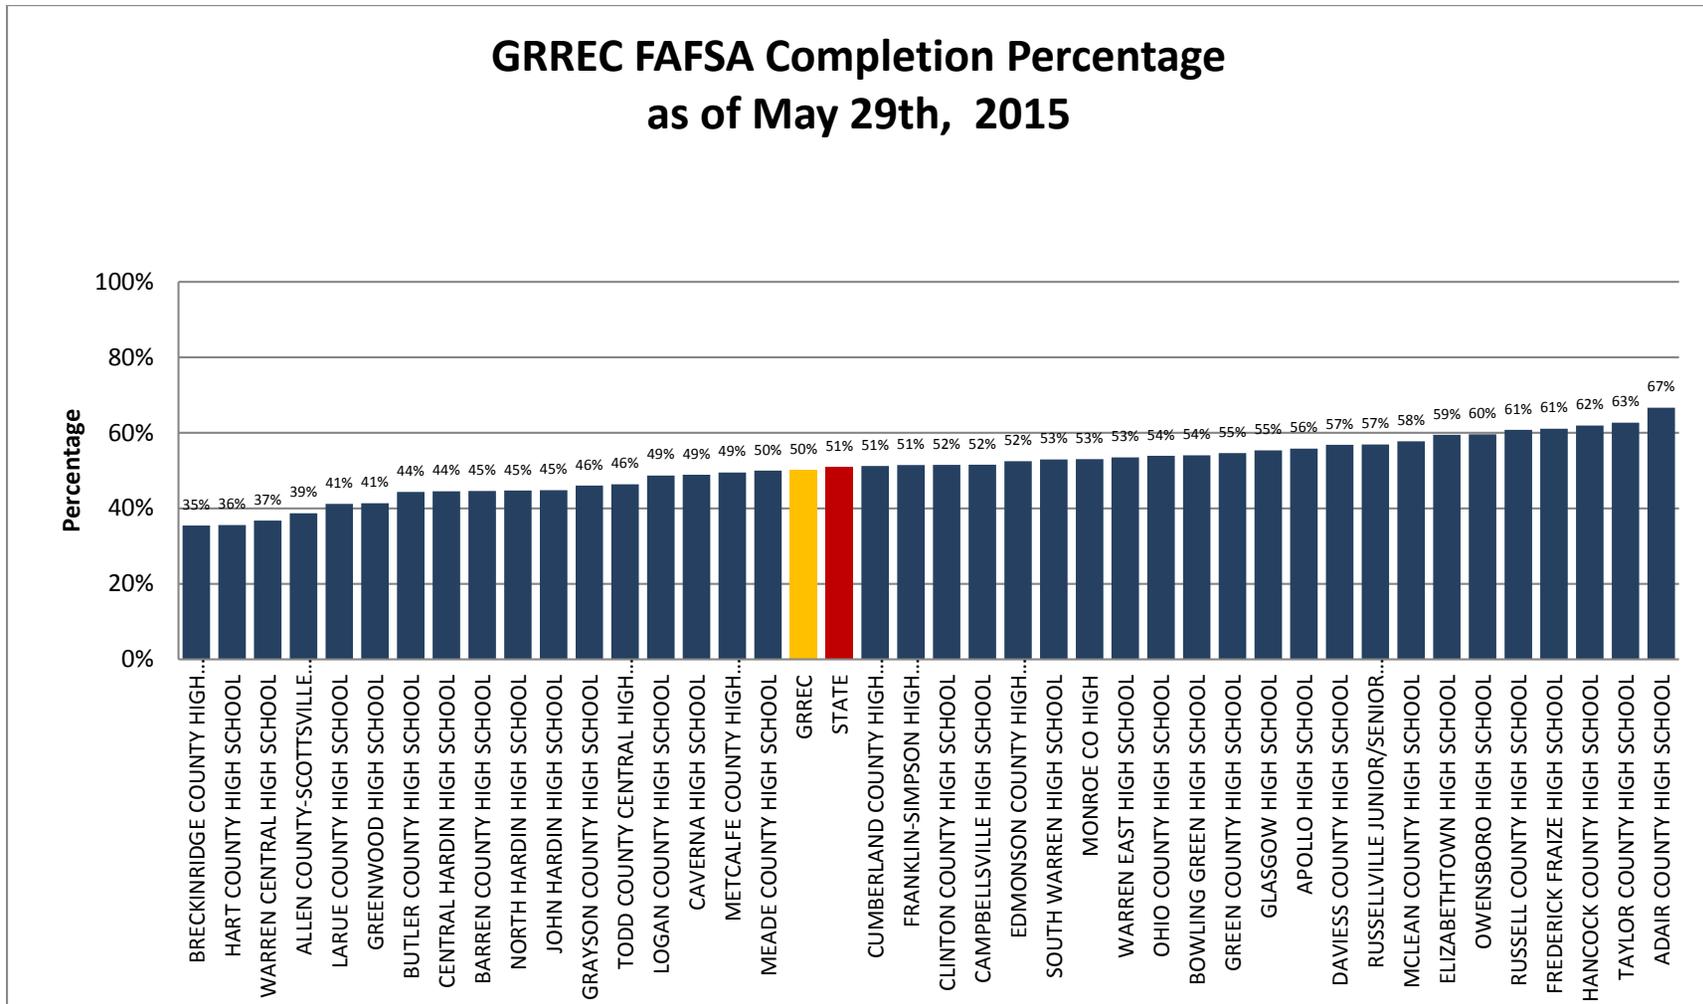

June 8th, 2015

Data Source: 2013-14 School Report Card Enrollment Data and 2015 FAFSA Completion Data from the US Department of Education FAFSA website.

<https://studentaid.ed.gov/about/data-center/student/application-volume/fafsa-completion-high-school>

On the graphs, blue lines represent each A1 high school; yellow lines represent the educational cooperative average and red lines represent the state average. To calculate completion rate, the 2013-14 enrollment data for the Class of 2015 cohort was divided by the 2015 number of FAFSA's completed as of May 29th, 2015. This data includes only students who are less than 19 years old, expected to earn a high school diploma and expected to enter a college or career school as a freshman. FAFSA Completion Data Details can be found here: <https://studentaid.ed.gov/about/data-center/student/application-volume/fafsa-completion-data>. The new FAFSA window began on January 1, 2015. Class of 2015 completion data reporting will be updated monthly on the KDE website until May 2015.
