

Strategy	Jan.'13	Problems/Concerns
Professional Growth & Effectiveness (Teachers)	●	
Professional Growth & Effectiveness (Principals)	●	It is unknown whether a data collection tool is needed at the state level. The strategy lead? is working with the CDU in order to craft an analysis plan to determine whether there is a need for a statewide tool.
Educator Development Suite (EDS)	●	
Human Capital Management	●	The scope is evolving rapidly for this strategy and the correct tasks need to be identified. The strategy lead is working with the CDU in order to craft a research plan to help determine what questions need to be answered.
Professional Learning & Support	●	The scope and the schedule of this strategy need to be determined more fully. The strategy has been held up by policy questions. The CDU will lead a session on Jan 29 to help define the scope (include PD360 and PD Planning).
