Kentucky Leadership Academy 2013–2014 Kickoff

What is it?

The Kentucky Leadership Academy (KLA) is a yearlong professional learning experience, focused this year on implementing the Professional Growth and Effectiveness System (PGES).

Developed for principals, by principals, KLA brings together school leaders from across the state to collaborate, share successes and school strategies, and focus on school improvement.

When and where is it?

In addition to the July 10 kickoff meeting, KLA will host four regional meetings in eight locations throughout the state throughout the academic year, and two events with national consultants. Dates and locations will be announced soon.

Who attends?

The principal(s) who have been identified to be part of the 10% of the principals within each district that will pilot PGES for the 2013–2014 school year should attend KLA. Because of their commitment to the pilot, registration fee for the year has been reduced to \$300.

Superintendents are invited to attend the July 10 kickoff event with their principal(s) and receive complimentary registration to KLA.

Other principals may attend KLA regional meetings as well at the full registration fee of \$500. Based on space and availability, these principals may also attend the July 10 kickoff.
