GETTING STANDARDS-BASED GRADING RIGHT

Honest and Accurate Grades for All Students

JUNE 15 & 16
8 A.M. – 4 P.M.
(includes two breaks)

NORTHEAST CHRISTIAN CHURCH
990 STARSHOOT PARKWAY
LEXINGTON, KY 40509

FEE: (NON-REFUNDABLE) \$299

Dr. Lee Ann Jung

Dr. Thomas Guskey

Dr. Gerry Swan

Learn to develop new standards-based grading and reporting policies linked to the Common Core that are better for ALL students and gain the support of parents, without creating excessive work for teachers.

Through presentations, explorations of case studies, discussion and reflection activities, you will discover new ways to report student learning in standards-based environments, how to make appropriate adaptations for exceptional learners and ELL students, and strategies for involving students and parents in the reporting process.
