COMMITTEE FOR MATHEMATICS ACHIEVEMENT TO MEET

(Frankfort, KY) – The Committee for Mathematics Achievement (CMA) will meet Friday, Dec. 5 from 9 a.m. – 3:30 p.m. ET in the 20th Floor Training Room of the Capital Plaza Tower in Frankfort.

The Committee for Mathematics Achievement (CMA) was created for the purpose of developing a multifaceted strategic plan to improve student achievement in mathematics at all levels of schooling, pre-kindergarten through postsecondary and adult. Components of this strategic plan address challenging curriculum that is aligned pre-kindergarten through postsecondary; teachers' knowledge of mathematics; statewide institutes that prepare cadres of mathematics leaders in local school districts; closing the student achievement gap among various student subpopulations; and the early mathematics testing program under KRS 158.803.

The CMA is comprised of 26 members including the commissioner of education; representatives from the Council on Postsecondary Education, the Education Professional Standards Board, and the Education and Workforce Development Cabinet; a representative with a specialty in mathematics or mathematics education; elementary, middle, and high school mathematics teachers and school administrators.

A full agenda follows.
