The KSPF SFTG dollars are only applicable for trips to the Kentucky State Parks and Historic Sites during the 2014-2015 school year and funds are provided as reimbursement.

Please provide the following information to explain your proposal. Applications are evaluated on basis of need, matching funds, educational goals and thorough completion of forms. You may attach one additional sheet.

Which park or historic site do you plan to visit? When are the dates of the trip?

Please describe why this grant is needed for your field trip:

How will this trip improve/impact student learning and performance?

When have you (teacher or class) last visited the Kentucky State Parks? Include site information.

SFTG's are designed to assist teachers in providing environmental education to students through field trips and overnight camps at our Kentucky State Parks. This is designed to complement other funding sources.
