

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT made and entered into on the date hereinafter stated, by and between the Pulaski County Board of Education, party of the first part, hereinafter referred to as "Employer" or "Board" acting by and through its duly authorized Chairman, Bill White, and Steve Butcher, party of the second part, hereinafter referred to as "Employee" or "Superintendent."

WHEREAS, the Pulaski County Board of Education has gone through the search process as is outlined in the Kentucky Revised Statutes, the Superintendent Search Committee made its recommendations to the Pulaski County Board of Education, and said Board interviewed candidates recommended to the Board by the Superintendent Search Committee and the Board, having made other due and legal considerations, has made a determination that the best and most qualified candidate for the Pulaski County Schools is Steve Butcher and for such reasons, the Board does hereby enter into this agreement with Steve Butcher for the position of Superintendent of the Pulaski County Schools. After having made an offer of employment and said offer having been accepted by Steve Butcher, the parties do agree as follows:

NOW THEREFORE, for and in consideration of the mutual promises, benefits, and covenant hereinafter contained, the parties do now agree as follows:

1. The term of this contract is for a period beginning at 12:01 a.m. on the 1st day of July, 2010 and shall expire on the 30th day of June, 2014 at midnight.
2. Consideration has been given to the educational training and experience of Steve Butcher, and to the average salary paid to superintendents of school districts

comparable in size and responsibility at the time of beginning the contract.

Beginning July 1, 2010, the parties agree that the Pulaski County Board of Education shall pay to Steve Butcher the sum of One Hundred Twenty Thousand Dollars (\$120,000.00) per year, which shall be based on a two hundred and forty (240) day annual salary with an automatic adjustment of such salary each year (beginning July 1, 2011) equal to the percentage of increase granted to certified teachers within the Pulaski County School District. Compensation shall be deemed to be an annual sum, which sum shall be divided by twelve (12) equal installments or payments and shall be due and payable on the 30th day of each month, the same being the same date upon which other employees of the said Board are paid.

3. That the Board shall reimburse the Superintendent for use of his personal vehicle on school business, both within and without the boundaries of the school district. The Superintendent shall be allowed a maximum of Seven Thousand Dollars (\$7,000.00) per year, in addition to the salary hereinafter set forth, as reimbursement for his personal vehicle in the transaction of the official school business within the school district, for use of such vehicle in school travel but shall be otherwise reimbursed for mileage outside the school district at the same rate as are other Pulaski County School employees. Additionally, the Superintendent shall be reimbursed for personal expense incidental to travel on school business when itemized statements of travel and expense are submitted to the Board and the expenditures are approved by the Board.

Further, the Pulaski County Board of Education shall either reimburse the Superintendent for such dues and fees to professional and civic organizations and meetings as he shall deem necessary to permit him to keep fully current and qualified and to maintain a high degree of professional standing, or said Board shall pay directly to said professional organizations the dues on behalf of the Superintendent or a combination of both, and expenses, costs and/or fees for educational seminars or training as deemed appropriate and necessary by the Superintendent.

The Board shall pay for the Superintendent's medical/dental insurance premiums which are not paid by the Commonwealth of Kentucky and which policy/policies shall cover both the Superintendent and his family and that the Superintendent shall be further provided disability insurance; retirement benefits and all other benefits paid directly or indirectly for other certified employees of the school district by this Board and/or the Commonwealth. The Board shall reimburse the Superintendent for his contribution to said retirement system during the term of this contract. The Superintendent shall be provided with professional liability insurance coverage, with liability limits of at least Five Million Dollars (\$5,000,000.00), an Errors and Omissions Policy with limits of One Million Dollars (\$1,000,000.00) and an umbrella coverage of Five Million Dollars (\$5,000,000.00). The Board shall provide, or cause to be provided, such professional legal services as may be necessary to advise, counsel and defend the Superintendent on legal matters pertaining to the performance of his duties and in defense of any claims brought against him relating to such performance as Superintendent, so long as such legal services are not in conflict with the Pulaski County Board of Education. The Superintendent shall be represented in the discharge of his duties by the attorney representing the Pulaski County Board of Education, except when those services would be in conflict with the interest of the Board of Education. The determination of such conflict shall be determined by this Board. In the absence of such conflict with this Board, the Superintendent shall have the authority to authorize the Board attorney to perform legal services on behalf of this school district, this Board or the Superintendent.

4. That the parties hereto do agree that the Superintendent shall retain both his administrative and teaching tenure (continuing contract status) and that the same shall be deemed to be unaffected by the acceptance of the position of Superintendent and that he shall retain all rights, privileges and benefits pertaining to such continuing contract status and "administrative tenure" as shall be applicable to teachers and administrators under the Kentucky Revised Statutes and Kentucky Administrative Regulations applying to educators and to schools in Kentucky.

5. That the Superintendent shall be permitted to take such leave for illness as is granted to other full-time twelve (12) month professional employees of the Board and shall retain those sick leave days accumulated through prior employment with the Board, said sick leave days to be retained and accumulated and paid at the time of retirement in the same manner as other full-time twelve (12) month certified employees. Pursuant to this contract, the Superintendent is granted fifteen (15) paid vacation days per year and at the time of his retirement, the Superintendent shall be compensated for accumulated vacation days at the daily rate at the time of his retirement: however compensation for all vacation days shall not exceed sixty (60) accrued vacation days.
