

## **School Nurse Train the Trainer Medication Administration Training Program**

To access KY TRAIN: <https://ky.train.org>

If you have never taken a course on KY TRAIN, you must create an account before proceeding.

The Webcast School Nurse Train the Trainer is in five parts. The Medication Administration Manual and Study Guide are now in one document and available for downloading in Part 1. A second document, The Instructor's Guide Manual, has been created and contains the final exams, and skill competencies. There is no CD available with the Medication Training Manual or Instructor's Guide.

**There is only one evaluation for these five courses that must be completed at the end of the fifth webcast (#1031730). You must complete all five modules and the evaluation before you can access the Instructor's Guide Manual.** Approved for 2.9 CEU's.
