Subject: CIITS Alert - Issue Reported that Teachers May be Displaying in Previously Assigned School

CIITS contact,

Please see information below provided by Schoolnet/Pearson.

=====

Schoolnet is currently investigating reported issues where teachers may still be displaying in their previously assigned school (i.e. teachers who have transferred to a new school). The two areas that have been reported are: 1) Caseload Manager - the teacher may still appear in their previous school as well as their current school; 2) Student Voice - the teacher's student voice results may still appear in their previous school as well as their current school. The issue has been escalated to Quality Assurance to provide resolution as soon as possible.

Maritta Horne

CIITS Service Manager
