Co-Authoring Folder Sharing Rights

- Co-authoring folders have updated sharing rights
 - District Item Admins Only
 - District and School Item Admins
 - Everyone (District, School Item Admins, and Teachers)
- A co-author can now define Item Central sharing rights for a folder.

The screenshot displays the 'Edit Folder Details' interface. On the left, the 'Folder ID' is 25 and the 'Name' is '2015 Grade 4 Test Items'. Under 'Add Users', 'COURTNEY C MAHON' is selected with 'View Only' permissions. The 'Item Central Sharing Rights' section lists options: 'District Item Admins Only' (checked), 'District and Regional Item Admins', 'District, Regional, and School Item Admins', and 'Everyone (District, Regional, and School Item Admins, and Teachers)'. On the right, the 'Users' list includes Jacob Trestrail, SchoolAdmin-VJ Vijay, Bill Clinton High, and SystemOperator Vijay. The 'Item Central Sharing Rights' is set to 'District Item Admins Only or District, Regional, and School Item Admins'. Below this, the 'In this Folder (4)' section shows a 'Share' button highlighted with a red box, along with 'Move' and 'Delete' buttons. A table of results is shown below:

Name/Preview	Type	Grade	Subject	Standards	Created/Modified
Which formula is correctly paired with the name?	Multiple Choice	Gr 12	Life and Physical Sciences	1	03/05/2014

Assessment Notes

Teachers and Administrators can view and add Assessment Notes about the use and effectiveness of the test.

- Configurable per-test option; set to “No” by default.
 - Can be adjusted at any point as a Test Property
- Pre-existing tests will all have Assessment Notes disabled
- Can be added to a scheduled test by any user with access to the assessment’s Test Detail
- Individual notes can be deleted by the note author

Enable Assessment Notes Yes No ⓘ

Assessment Notes (2) ⓘ

✘ This test should be administered online if possible, for state testing practice. Please contact your school's Tech Coordinator if you need assistance scheduling laptop cart.
9:38 AM - 12/18/2013
Jacob Trestrail - System Operator
National School District

✘ My students had difficulty getting through this test within a single class period. The passages are too long.
9:39 AM - 12/18/2013
Camden Bryant - Teacher
Bainbridge Colby Middle

Add

Create Test: Updated User Experience

- The Optional test and item level settings are now collapsed by default, offering the test creator a faster avenue to test generation

- Up to 8 question containers and answer choices can be defined, we recommend only 4 are used due to test tunnel screen space and text and images can be used for content
 - Answer containers can be used as a correct answer in more than one question container
- NOTE – IE 8 users are required to upgrade their browser version or download the Google Chrome Frame plug-in in order to author or edit hot spot items.

Click Stick Click Drop [change type]

Question Content

Match the answer response with the correct question container.

Target Container

1 The _____ jumped over the _____

2 I am the 44th president of the United States

3 

[Add a target container]

Available Choices

A William Shakespeare
This answer choice can be used 2 time(s)

B quick fox
This answer choice can be used 1 time(s)

C 
This answer choice can be used 2 time(s)

D lazy dog
This answer choice can be used 1 time(s)

[Add an answer choice]

Defines the number of times an answer choice can be used

Defines the number of answer choices that a container can accept

Match Target Containers with Answer Choices

1 2 3

The _____ jumped over the _____

Set container capacity to 2

Answer Choice List
