3. Select your school from the School Results list (and click Continue) or add your school if it isn't already in our system.

The screenshot shows the 'Subscribe' page with three steps: 1. About You, 2. About Your School, and 3. About Your Account. Step 2 is active. Under 'School Results', there is a scrollable list of schools including 'CALLOWAY CO PRE-SCHOOL CENT...', 'CALLOWAY COUNTY HIGH SCHOOL', 'CALLOWAY COUNTY MIDDLE SCHC', 'DAY TREATMENT AND ALTERNAT', 'EAST CALLOWAY ELEM SCHOOL', 'NORTH CALLOWAY ELEM SCHOOL', and 'SOUTHWEST CALLOWAY ELEM SCI'. A note says '*indicates the school is already registered'. To the right, it says 'Select your school from the list on the left. You may also search again.' At the bottom, there is a link 'School not in the list? Add Your School.' and a green 'Continue' button.

4. Create a user name and password, accept our license agreement, and get your account.

The screenshot shows the 'Subscribe' page with step 3 'About Your Account' active. It prompts the user to 'Create a user name and password.' with fields for 'Enter a user name*', 'Enter a password*', and 'Retype password*'. Below is the 'License Agreement' section with a scrollable text area containing the terms and conditions. At the bottom, there are two checkboxes: 'I am 18 years or older.' and 'I have read and agree to the terms above.' A green 'Get your free account!' button is at the bottom right.

5. You'll receive an e-mail with instructions for activating your account and setting up your computer.
6. After activating your account, you'll have access to all resources and teacher edition materials.

4. Select your school from the School Results list (and click Continue) or add your school if it isn't already in our system.

This screenshot is identical to the one in step 3, showing the 'Subscribe' page at the 'About Your School' step with the school list and 'Continue' button.

5. Create a user name and password, accept our license agreement, and get your account.

This screenshot is identical to the one in step 4, showing the 'Subscribe' page at the 'About Your Account' step with the user creation and license agreement fields.

6. You'll receive an e-mail with instructions for activating your account and setting up your computer.
7. After activating your account, you'll have access to all resources and most of the support materials in the teacher edition.
8. Your school's SAS Curriculum Pathways coordinator can grant your access to answer keys, scoring guides, and rubrics.

- c) Select the desired school from the School Results list and click Continue.
d) The student user name for the selected school appears on the next screen.
