Update Information

CIITS HELP

It is extremely important that districts report CIITS issues to:

CIITS Help Desk at 855-435-7459, or

ciitshelp@schoolnet.com – cc [Maritta Horne](#), CIITS service manager at KDE, and

For more information on CIITS Help resources available on-line, click [here](#).

KDE and SchoolNet continue to work together to improve performance issues. Districts confirm that they have experienced problems from system upgrades that were put in place through January; however, some districts are still experiencing issues. We need specifics on these issues, especially if the problem is slowness or latency, documented through CIITS help desk tickets to fully research issues. Specifics on what users are experiencing and in what application the issues are occurring is critical to help diagnose the problems. Please remind teachers and staff in schools that they can individually report all issues to the CIITS Help Desk.

The screenshot shows a webpage for the Student Voice Survey. At the top, there are navigation links: Site Map, KDE Directory, and P-12 Jobs. Below that is a dark navigation bar with links for Administrative, Districts, Jobs, Legislature, Media, Parents, Public, Researchers, Students, and Teachers. The main content area has a breadcrumb trail: Home / Teachers/Leaders / Professional Growth and Effectiveness System / Student Voice Survey. On the left is a sidebar with a list of links: Access PGES Latest News, Certified Evaluation, Committees, Framework for Teaching Observation, Peer Observation, Self-Reflection and Professional Growth Planning, Student Growth, Student Voice Survey (highlighted), Summative Evaluation Process, and Teacher Student Data. The main content area features the title "Student Voice Survey" with a publication date of 4/14/2014 3:36 PM. Below the title is a paragraph describing the survey as a classroom-level reporting system for formative feedback. To the right of the text is a photo of a teacher and a student sitting at a table. Below the photo is a section titled "Student Voice Survey ToolKit" with a sub-section "DISTRICT:" and a bullet point "Student Voice Survey Guide NEW!".

Summative Evaluation Process Resources

Summative Evaluation Process Video: Dr. Amanda Ellis walks principals through the summative evaluation process, including the input of data into EDS, while providing guidance on the necessary sources of evidence needed at each step to make appropriate professional judgements.

Preparation Checklist with Support Materials: The first page of this pdf includes a checklist of everything a principal will need to gather before starting the Summative Evaluation Process. The next four pages provide several of the necessary documents from the checklist for your convenience:

- Sources of Evidence/Framework for Teaching Alignment
- State Decision Rules for Determining an Educator's Professional Practice Rating
- State Overall Decision Rules for Determining an Educator's Overall Performance Category
- Rules for Determining an Educator's Summative Growth Cycle

Summative Evaluation Process Prezi: Below is the presentation Dr. Amanda Ellis uses in the Summative Evaluation Process video. We encourage you to use this presentation as a guide as you move through your summative evaluations. Simply click on the "start prezzi" button in the middle of the presentation and then use the arrow buttons at the bottom to move through at your own speed.
