

EOY 2014, Session 2.2 - LEP 2013-14 Data Cleanup and Extract Questions and Answers

Q: If a student is withdrawn and doesn't show up on the LEP Extract what does the district do?

A: Contact Gary because the transfer process may have been done incorrectly.

Q: If a student leaves the district in January and you know they will return in the fall do you end date the LEP Service?

A: Yes

Q: How do you identify an LEP student without asking for a Social Security number or birth certificate?

A: Give them the Home Language Survey (for potential EL students). Use the WAP screener to determine if they are Limited English Proficient or not. Districts should have received an email from me on Friday May 9 with an announcement from Secretary Arne Duncan and Attorney General Eric Holder providing guidance on this issue. Here is the link
