

**KSIS End-of-Year Training
April 29, 2015**

**Supplemental Questions
Questions and Answers**

Becky Jenkins, Office of Knowledge, Information & Data Services (KIDS)

- 1. Question: Campus Instruction-Will teachers still have access to Campus Tools?
From KDE: Can you clarify what you mean by Campus Tools?
Response from district: Can the Teachers switch between Campus Instruction and the traditional view of Infinite Campus? I know the old grade book will no longer be in the traditional view.**

Answer: Tool rights will continue to be assigned at the district level so they would assign the teacher tool rights to Campus Instruction and any other area they allow teachers access to.
- 2. Question: Campus Instruction-Will New Campus Gradebook work with IE 11?**

Answer: Yes, as of this summer.
- 3. Question: Campus Instruction--Can the Teachers switch between Campus Instruction and the traditional view of Infinite Campus? I know the old grade book will no longer be in the traditional view.**

Answer: Answer: I believe they can right now, but once the E.1525 update goes into production, districts will no longer have access to the old grade book.
- 4. Question: Gatton-What about attendance and the Gatton Academy?**

Answer: Answer: Attendance is considered performance-based, so there is no need to capture attendance at the Academy. If the student passes all of their courses, the home district receives full ADA for the student.
- 5. Question: Credentials-Could you show us where the teacher License # / "Credentials" are entered into IC?**

*Answer: The license number is recorded on the Credentials tab. Path:
Census>People>Credentials*
- 6. Question: Credentials-When was Certification Numbers placed in IC made a requirement?**

Answer: Year before last, schools were asked to start entering the certification number when new teachers were added.
- 7. Question: Credential-For the Credentials tab, after we select new and select the Credential type of LC, what date do we use? Date employed OR?**

Answer: Date employed.
- 8. Question: MUNIS/IC: How soon will the interface between MUNIS and IC be up and running, in order to import new staff members into IC?**

Answer: Possible pilot in 2015-16

- 9. Question: MUNIS: Is there a timeframe of when we can expect MUNIS to start uploading employee data to IC? And which data elements will be pulled from MUNIS?**

Answer: Possible pilot in 2015-16. We are currently reviewing the elements that could be exported from MUNIS and imported into Campus.

- 10. Question: Course Codes-If we delete course codes that have changed, will that not affect the e-transcript?**

Answer: Do not delete only change - once courses have been transcribed, it won't affect transcript.
