- ▶ Gatton Academy and Craft Academy
- ▶ Dual credit college classes
- ▶ Online classes
- ▶ Credit recovery
- ▶ Classes where credit is given upon completion of a predefined criteria
- ▶ Innovative scheduling

Points to Ponder

- ▶ Infinite Campus should reflect as closely as possible what actually happened in the school.
- ▶ Behavior events can not be entered on students with no seat time attendance.
- ▶ Students can not be checked out in Infinite Campus if they are in a non-attendance class.
- ▶ Virtual or performance based attendance does not count on the Growth Factor to show growth.
- ▶ Seat time classes must contain a Carnegie unit of time (120 hours)
- ▶ Virtual or performance-based classes can be set up to earn a Carnegie unit of attendance even if the course is completed in less time.

Pros and Cons of V/PB classes

Pro

- ▶ 100% attendance when they pass the class
- ▶ Does not require 120 hours
- ▶ Allows students to work at their own pace

Con

- ▶ No attendance if they do not pass
- ▶ Cannot enter behavior events if student does not have seat time attendance.
- ▶ Cannot check in or out students without seat time attendance
- ▶ No V/PB attendance on the Growth Factor report

So you have a V/PB class, what now?

Set up the course

- Type = V:Virtual or P:Performance
- Attendance is not checked
- Must use correct state code for individual subject, no general credit recovery, dual credit etc

Schedule students

- Place class in a period representing a Carnegie unit of time
- Do not use start or end dates on students schedule

Check funding on fully scheduled student

- Student has a full schedule
- Enter passing grades for V/PB classes
- Create single student ad hoc
- Run record 7 of the SAAR for one day.

Make sure you have a period outside the standard day that is a Carnegie unit long

Funding

- ▶ Student is expected to attend full day and attendance is taken
- ▶ PB classes are scheduled into the V/PB period
- ▶ The SAAR report calculates the seat time attendance first and caps the V/PB attendance so a student never generates over one day of attendance per day.
- ▶ **NOTE: Do not schedule students into a seat time class if you are not really taking attendance.**
