

**Custom Report: Alternate Assessment Tracking Report** – The purpose of this report is to generate a list of students eligible to take alternative assessments along with their primary disability and communication status (Dimension A, Dimension B, or none). NOTE: Records without Communication Status should be corrected to meet the data standard. If there is a Communication Status without Alternate Assessment selected, it should be corrected as well.

**Selection Criteria:** Use the Campus toolbar to select the school/academic year for the report. Students meeting the selection criteria with alternate assessments will be included in the Excel file.
