QUESTION OF THE WEEK

Q: When will the ACT National Scores for 2015-16 be loaded into Infinite Campus (IC)?

A: The Kentucky Department of Education (KDE) strives to publish assessment data in IC as it becomes available. The ACT National assessments for the 2015-16 school year have been loaded into IC. KDE will publish these scores to all districts beginning on May 3.

The scores that will be published include a few scores from September, October, December 2015 and scores from February 2016 assessments.

If there are any questions about the ACT National Scores for 2015-16 being loaded in IC, e-mail [Raymond Carter](#).
