Subject: KSIS Notification - 2012-13 Assessment Data Publishing Schedule
Date: Wednesday, November 13, 2013 4:21:48 PM

KSIS Contact,

On Monday, November 18, KDE will begin publishing 2012-13 assessments to district Infinite Campus production sites. The published assessments will include ACT (state-administered and national), Growth (K-PREP, High School and ALT-Growth), End of Course, College and Career Readiness (CCR) and Alt-CCR, and Stanford 10.

KDE will publish ACT scores to your district only upon receipt of your request. Please send requests to raymond.carter@education.ky.gov. National ACT scores will be labeled ACT (KDE_Reported_NATL).

If there are concerns with this schedule for your district, please contact Raymond Carter by 12:00 p.m. (Eastern time) Friday, November 15.

Please note that beginning in January 2014, we expect to receive the national scores from ACT each time the assessment is given. Therefore, you will be able to request KDE to publish ACT scores for your district six times a year - once for the state-administered exam and five times for the national exams. We hope this is good news to all districts.

Thank you.
