KSIS Contact,

KDE has published COMPASS and KYOTE student assessment data to Infinite Campus district edition databases. Please note, in instances when a student took an assessment multiple times on the same date, only the highest score has been published, and neither COMPASS nor KYOTE scores will be included on eTranscripts.

Recently published student assessments include:

<b>Assessment</b>	<b>Administration Period</b>
COMPASS	July 1, 2013 - April 30, 2014
KYOTE	July 1, 2013 - March 31, 2014

Over the next few months, KDE will notify you as additional assessment data is received, combined and published. If you have any questions about state published assessment data, please contact Raymond Carter by [email](#) or phone at (502) 564-2020 ext. 2477.
