Infinite Campus has released Campus.1633 which resolves the issues impacting the posting of grades and printing of a KY Conference Summary. The original Kentucky release date was planned for Wednesday, September 14. Due to the number of cases submitted, KDE and Infinite Campus would like to deploy early on Thursday, September 1. The update will begin at 7:00 p.m. (Central)/8:00 p.m. (Eastern). Infinite Campus will be temporarily unavailable during the update process.

Please let us know if your district has activities planned for this date that would be negatively impacted by the release. Details for the release will be provided in a separate notification.
