Subject: KSIS Notification: Centrally Hosted Server Maintenance
Date: Monday, March 17, 2014 2:54:00 PM

KSIS Contacts:

Centrally hosted server maintenance is planned for tomorrow evening, March 18, beginning at 6:00 p.m. Eastern. The maintenance is expected to last approximately one hour. No service interruption is expected; however, should the work require a reboot of the server, centrally hosted districts might experience a brief downtime of Infinite Campus.
