Subject: KSIS Notification: Civil Rights Data Collection (CRDC) Website Reopened
Date: Tuesday, May 05, 2015 4:28:52 PM
Attachments: [CRDC once again Open.msg](#)

KSIS Contact:

The message below regarding the reopening of the CRDC website was included in Commissioner Holliday's weekly email to superintendents yesterday. The attached email which includes an updated CRDC schedule also went out yesterday to CRDC Points of Contact.

Have questions or need more information? Take advantage of one of these opportunities provided by the KDE CRDC contacts:

- CRDC webcast on Friday, May 8, from 9:00–11:00 a.m. Eastern. The webcast will include a brief presentation on the CRDC data collection process and then be open for questions and answers. To participate in the webcast, click the appropriate link below.
Video and audio for windows based devices through Windows Media Services
<mms://video1.education.ky.gov/encoder3a>
Video and audio for smartphones (Droids, iPhones, iPads and Mac devices) through iHigh.com <http://mediaportal.education.ky.gov/watch-live/>
- Two CRDC Question and Answer sessions via Lync on Monday, May 11 and Tuesday, May 12 from 8:30-10:00 a.m. Eastern. These sessions will not include a presentation. Participants can join at any point during the Lync session to ask questions regarding the CRDC data collection. Click the following link to join the session:

Monday Superintendent E-mail – 5/4/15

Time to review district civil rights data

The Office of Civil Rights (OCR) has reopened the Civil Rights Data Collection (CRDC) website. You can now use the username/password you received from OCR to login and look at the data KDE has loaded to your district. If you do not have your username/password, you will need to contact CRDC Partner Support to get a new username/password.

A new schedule of events has been posted to the [Kentucky CRDC](#) webpage. Please remember to only review the data for the next two weeks. If districts find issues with the KDE loaded data, and KDE must reload any data to the site, then everything entered will be overwritten. If you are happy with the data KDE has loaded and do not want any changes, you can use the “opt-out” feature to ensure KDE cannot push any additional data to your site.

Due to the short time between when the site originally opened and when it crashed, we realize some districts who wanted to opt-out of the KDE data load may not have had

enough time to opt-out. If you have received KDE data but do not want it, you have two options: manually overwrite with your own data using file uploads/data entry or contact CRDC Partner Support and they can instruct you how to delete everything uploaded from KDE files.

If you have questions about CRDC, contact Tyra Dunn-Thomas by [e-mail](#) or phone at (502) 564-2020, ext. 2268. As always, you can contact CRDC directly with any questions: CRDC PSC Support: (844) 338-2732 or CRDC@SANAMETRIX.COM.
