KSIS Contact,

District and schools participating in the fall Student Voice survey (Nov. 3-21), must complete Infinite Campus setup by this Thursday, Oct. 30. Infinite Campus will generate the surveys on Friday, Oct. 31, and no changes to teachers and respondents can be made for the fall surveys once this is completed. To see which survey window(s) your district has chosen, see [2014-15 Student Voice District Choices](#). Each participating district and school should use the Student Voice reports in Campus to confirm teachers are assigned the correct grade level survey and a minimum of ten students are eligible to respond. [Student Voice Technical How To-Administrator](#) provides instructions on setup activities required to administer the survey. If you need assistance, please email [Jeffrey Coles](#).
