Subject: End of Year Safe Schools Update

Good morning,

Here is your End of Year Safe Schools Update.

The due date for resolving errors/warnings for the Safe Schools extract and validating this district's safety data is June 30, 2016. The [Behavior Data Standards](#) and a recorded WebEx session for Safe Schools Infinite Campus End of Year Training can be found on [KDE's Safe Schools website](#).

The timeline for validation and verification of this data is as follows:

- **May 16th** – District verification window opens
- **June 30th** – District verification window closes
- **June 30th** – [Superintendent verification](#) due to KDE
- **July 5th** – KDE will extract data from IC data warehouse
- **July 11th** (tentative) - District and school level data will be available for viewing in the 2015-16 School Report Card Secure site
- **July 29th** – School Report Card verification of behavior data ends (two weeks after availability in SRC)

This data requires Superintendent Verification by June 30, 2016; the verification can be entered into the [Verification web application](#). Please contact [Victoria Fields](#) or [Windy Newton](#) with any questions or issues you cannot resolve.

Thank you,

Victoria Fields
