KSIS Contact:

Please be advised that deployment of the PGES Student Voice survey components to all Kentucky Infinite Campus production and sandbox environments has been scheduled to start Wednesday, December 23 at 6:00 p.m. (Central)/7:00 p.m. (Eastern). Infinite Campus will be unavailable during the update process. After the update is complete, new Student Voice reports, security groups, scheduled tasks and custom fields will be visible within Infinite Campus. Please do not attempt to enter data in the custom fields or run the new reports until KDE sends out further guidance.

Please email me if you have any questions or concerns about the update schedule.
