Good afternoon PGES POCs,

- **Median Student Growth Percentiles (MSGP) are now available in Infinite Campus (IC) for Mathematics and Reading teachers grades 4-8.**

- **To help ensure accuracy of reporting MSGP, please review and make all adjustments to data by November 4th at 5:00pm and finalized data will display November 9th.**

- **EDS is scheduled to display teacher MSGP in mid-November.**

Two reports are available in IC to help check for accuracy.

- 1) **[Median Student Growth Percentile Summary Report](#)** – shows any teacher assigned to a Math or Reading course code and MSGP.

IC click path: KY State Reporting > KDE Reports > Median Student Growth – Summary

- 2) **Section Roster Report**- displays students in each section for a teacher or course chosen.

IC click path: Scheduling > Reports > Section Rosters

Users must be granted access by the local KSIS administrator to view reports. Please visit the [Median Student Growth Percentile webpage](#) to learn more or contact Christine.Meisberger@education.ky.gov
