Subject: New Updated Safe Schools Data Standards and Bullying FAQ

Good morning,

The [Infinite Campus Safe Schools Data Standards](#) have been updated and are available on our [Safe Schools Data Collection and Reporting](#) page. Changes to the standards include definitions provided for arrest, civil proceedings and charges filed data elements; in addition to behavior admin set up requirements for bullying/harassment, drugs/alcohol/tobacco and weapon event types. Also, we would like to spotlight our [Bullying FAQ](#) that was recently released in order to help schools and districts understand how this can help identify bullying behavior, differentiate it from other behaviors, clarify reporting requirements, and be aware of the various resources currently available to assist with bullying prevention. This is also found on our [Bullying and Harassment](#) page. Finally, we would like to remind you that today is the deadline for submitting your [District Safety Report](#) in ASSIST. For more information about this, visit our [District and Public School Building Emergency Management Plans](#) page.

Thank you,

Windy Newton and Victoria Fields
