Subject: KSIS Notification: Student Voice
Date: Tuesday, February 25, 2014 9:15:19 AM

Just an FYI – Superintendents received the following message in the Monday email from Dr. Holliday. [PGES](#) contacts in districts have been the primary Student Voice point of contact for districts but there is set up in Infinite Campus needed. We want to make sure KSIS Points of Contact are aware, this is also covered in the March newsletter that will be distributed soon. If you have questions about Infinite Campus set up, contact [Lisa Keeter](#).

MONDAY SUPERINTENDENT E-MAIL – 2/24/14

Preparing for the Student Voice Survey

Teacher participants in the Student Voice Survey may be assigned in Infinite Campus until March 14. Regardless of when a district assigns teachers in Infinite Campus, the surveys will not be visible to students until the opening day of the Student Voice Survey window on March 19.

The Student Voice Survey Guidance Document, located in the [Student Voice Survey Toolkit](#), provides direction regarding this process. Technical guidance for assigning administrator permissions and teacher participants in Infinite Campus also is available in the “Administrative How-to” technical document in the toolkit.
