**Subject: Teacher Turnover Detail**

Good afternoon,

Please read the information below regarding making changes to the Teacher Turnover data in the School Report Card. If you are not the appropriate person to receive this information in the district, please forward this message to the appropriate point of contact.

### **Teacher Turnover reporting**

2015-16 Teacher Turnover data has been loaded to the School Report Card Secure Site and can be found on the Equity Tab under the Learning Environment category. The detailed data used to determine a school's turnover percentage can be reviewed using the "Teacher Turnover Details" report in Infinite Campus. PATH: KY State Reporting > KDE Reports > Teacher Turnover Details

To allow districts and schools the ability to compare school years, the "Teacher Turnover Details" report has been updated so it may be run for either the 2014-15 or the 2015-16 school year. The report runs from a static data table. Making changes in Infinite Campus will not change the report output until KDE refreshes the table. Data for the report will be refreshed September 20 and September 27, 2016 for the 2015-16 school year only; 2014-15 school year data will not be affected.

Additional information about the report can be found in the [Teacher Turnover Details Report Quick Reference Card](#).

Respectfully,

**Jennifer Baker**
