

## Adding an EOC assessment to your EOC Course

1. Make sure your **State Code** is one of the approved State Course Codes for the EOC assessment that you are giving. If not, modify it as required. The state approved course codes for EOC is listed on the last page of this document.

The screenshot shows the course management interface for '450879A US History Honors'. The 'Assessments' tab is selected, indicated by a red arrow. The 'Course Information' section is visible, showing fields for Course ID (12405), Number (450879A), Name (US History Honors), State Code (450809), Department (Social Studies), and various scheduling and grading options. A black arrow points to the 'State Code' field.

2. Search for a Course/Section. Go to the Assessments Tab as shown below:

The screenshot shows the course management interface for '450879A US History Honors' with the 'Assessments' tab selected. A black arrow points to the 'New' button in the 'Assessments' section. The 'Assessment Alignment Editor' table is visible, showing columns for Standard, Assessment Name, Start Date, End Date, and Copies Forward.

3. Choose **New** while on the Assessments tab. The Assessment Alignment Detail box will appear.

The screenshot shows the course management interface for '450879A US History Honors' with the 'Assessments' tab selected. The 'Assessment Alignment Detail' box is open, showing a dropdown menu for 'Test' and a 'Copies Forward' checkbox. A black arrow points to the dropdown menu.

## Adding an EOC assessment to your EOC Course

4. Click in the \*Test box, and type “EOC”. You will then select the appropriate Assessment. **Note:** If you scroll rather than type out EOC, you will have to choose the assessment by the specific name – EOC Algebra II, EOC Biology, EOC English, or EOC History. Please **do not** choose the Multiple Choice or Super Score options.
