Date: Tuesday, December 09, 2014 3:10:03 PM

KSIS Contact,

On Wednesday, Dec. 10, KDE will begin publishing additional SY 2013-14 statewide student assessment data to Infinite Campus district edition databases. The table below lists all statewide 2013-14 assessment results that KDE has loaded to date; new additions are highlighted and in bold font. If you have a question about scores published in your district's site, contact Raymond.Carter@education.ky.gov by email.

An asterisk () indicates assessments included in the Benchmark custom reports, (Regular, Gifted & Talented, and LEP). These reports show students' longitudinal results on major assessments by content area for English, mathematics, reading, science, social studies, writing or language mechanics. The reports show state-published student scores for the selected content area on these assessments: K-PREP (grades 3-8), EXPLORE, PLAN, ACT, COMPASS and KYOTE. If multiple scores exist for an assessment, the highest scale score will be reported. We encourage you to assign rights or run these reports for the principals in your schools.
