

For Parents: What is the ILP?

Students across Kentucky are required to complete an Individual Learning Plan (ILP). The Career Cruising ILP Tool is designed to help students bring together their academic achievements, extracurricular experiences, and career and education exploration activities. This enables the student, parents or guardians, teachers, and counselors to work together to develop a course of study that meets the student's needs and goals.

The **Student ILP Tool** allows students to:

- Record their career, education, and life goals.
- Bookmark careers and schools that are of interest to them and include their thoughts about each.
- Explore the Kentucky Career Clusters and track the clusters that interest them.
- Store their results from standardized tests and assessments, including Career Matchmaker
- Keep track of their career and educational exploration activities.
- Record their extracurricular activities, hobbies, and interests.
- Document their community services and work experience.
- Develop their four-year high school education plan.
- List awards and recognitions they have received.
- Document learning services and programs they have participated in.
- Upload related files, such as essays, scanned artwork, and letters of reference.
- Create personalized, professional-looking resumes.
