## Sponsor Application Packet

### Reporting of Ethnic/Racial Data

The Program Year 2014-2015 CACFP Sponsor Application Packet has introduced new question items on racial/ethnic data reporting to make reporting easier and quicker. The questions should be completed using the most recent data available.

Shown below is a screenshot with detailed instructions:

#### Ethnicity Data

Provide the ethnic makeup of the participants served by the Sponsor's service area.

34. Geographic Area (enter percentages)

To obtain the racial/ethnic data for your geographical area please [click here](#)

Hispanic or Latino:  %

Non-Hispanic or Latino:  %

Provide the ethnic makeup of the participants served by the Sponsor. Provide actual numbers of enrolled participants at all sites.

35. Program Participants (enter number of enrolled participants)

Hispanic or Latino:

Non-Hispanic or Latino:

Click on the hyperlink to obtain the schools data for comparison purposes.

Enter in Hispanic/ Non-Hispanic data from the nearest public

Enter in Hispanic/ Non-Hispanic data for your site.

#### Racial Data

Provide the racial makeup of the participants served by the Sponsor's service area.

36. Geographic Area (enter percentages)

To obtain the racial/ethnic data for your geographical area please [click here](#)

American Indian or Alaskan Native:  %

Asian:  %

Black or African American:  %

Native Hawaiian or Pacific Islander:  %

White:  %

Provide the racial makeup of the participants served by the Sponsor. Provide actual numbers of enrolled participants at all sites.

37. Program Participants (enter number of enrolled participants)

American Indian or Alaskan Native:

Asian:

Black or African American:

Native Hawaiian or Pacific Islander:

White:

Enter in the racial data from the same school you chose above. Percentages may not total 100% due to rounding and/or omission of data 2 or more races (which will not be included for USDA reporting).

Enter in the racial data for your site that was collected.

38. Identify the source of the ethnic and racial data for the geographic area.

Complete this information as noted.

39. Describe your procedure to collect and maintain ethnic and racial data of children enrolled in participating centers.

Questions on completing this should be directed to your assigned program consultant.
