Superintendent Lynda Jackson
Covington Independent Schools

Covington, KY 41011

Dear Superintendent Jackson:

The Kentucky Department of Education has completed its Title I, Part A monitoring for Covington Independent Schools. All corrective actions that were required have been satisfactorily completed, with evidence of completion submitted by Suzanne Thompson. We appreciate the work that she and other district and school staff did to bring those items into compliance.

As a record of our visit, attached is the updated Title I, Part A Actions Needed Form. At this time, all items are in compliance and there are no further actions needed.

Please contact me at (502) 564-3791 or by email if you have questions regarding the Actions Needed Form.

Sincerely,

David Millanti
Kentucky Department of Education
