Subject: Elimination of MUNIS Object Code 0892

Title I, Part A Coordinators,

Please be aware that MUNIS Object Code 0892 (Parent Involvement) will be deleted as of July 1, 2014. Clarification on this issue was presented in the [May-June 2014 Finance Newsletter](#). It will still be required to track Title I, Part A parent involvement expenditures under project 310AM for the 2014-15 school year, and it will be necessary to budget funds within the most appropriate expenditure codes. Please contact your KDE Title I, Part A consultant if you have questions.
