

## Mapping of Behavior Resolution Types to State Codes

October 7, 2014

Two new state codes of “**IAES1**: IAES - Unilateral Removal by School Personnel – SPED only” and “**IAES2**: IAES - Removal by Hearing Officer – SPED only” have been added to IC with the E.1438 release. If your district has behavior incidents that involve a special education student being removed by a Hearing Officer or by school personnel for a weapon, drug or injury to self or others, these resolutions should be set up for use in your district.

Year 14-15, All Schools selected
