

Thank you for your interest in the Vanderbilt Assessment of Leadership in Education (VAL-ED). Val-Ed is a research based evaluation tool that measures the effectiveness of school leaders by providing a detailed assessment of your principal's behaviors.

360° Feedback - 360° assessments provide the best feedback to principals because they incorporate input from members of the school's professional community.

The cost for Val-Ed is \$360 per Principal (or school leader). This covers up to two surveys per year. Since this is a completely web-based delivery, it includes an unlimited number of teacher respondents including the principal's self-evaluation and their supervisor(s) response.

We typically recommend those who purchase Val-Ed to consider purchasing Discovery Education's **Professional Development** as well. This can be in the form of a virtual webinar to kick off the survey and another webinar to read the results once the first survey is complete. The price for the webinars is \$250 each. The other option is a 6 hour ON-SITE, in person session covering up to 25 leaders. The price for the ON-SITE is \$2,500.

In order to get the process underway, I just need to gather some information about your district:

- 1. NAMES AND ADDRESSES OF SCHOOLS**
- 2. EXACT START DATE**
- 3. NUMBER OF INSTRUCTIONAL LEADERS IN EACH SCHOOL TO BE EVALUATED**

No credit card needed, all we need is the P.O. and you will be invoiced about 30 days after the start date.

Once I receive the information, I'll build the account, email you the service agreement. Our support team will reach out to you and make themselves available for a walk through of the site and the service after we receive your signed agreement.

I have included a few links that will give you additional information:

valed.discoveryeducation.com or <http://valed.com>
