### **Is the first version of Professional Learning for Peer Observers still available?**

*Peer Observation Training, 2<sup>nd</sup> Edition* replaces the KET course *Professional Learning for Peer Observers*.

Educators certified through the KET training, are not required to complete the new training until their certification expires or directed otherwise by leadership. Additionally, the Kentucky Department of Education encourages educators to engage in this learning to explore the benefits

### **Who should complete this training?**

- Educators interested in receiving initial or renewal certification as peer observers
- Educators interested in learning about the benefits of the peer observation process
- Teachers and other professionals currently serving as peer observers
- Coaches responsible for facilitating the training of peer observers in the district or school.

### **Will I receive a certificate?**

Peer observer certification is awarded to all educators who complete the online training. Districts may recognize the certificate as initial or renewal certification, as appropriate, required by the Professional Growth and Effectiveness System (PGES) for peer observers.
