Does Not Apply To Me

Survey Items (7)

- When I was out of school, I was able to work with my teacher and classmates online.
- It was easy to use my device (such as a computer, Chromebook or smartphone) to do assignments, quizzes and other schoolwork when I was out of school this year.
- When I was out of school, my teachers were available when I needed help (such as through virtual office hours, email, chat).
- When I was out of school this year, I learned new things.
- I feel good about what I learned when I was out of school this year.
- When I was out of school, my teacher taught lessons almost every day using video (such as Zoom, Microsoft Teams, Google Meet/Classroom,).
- When I was out of school, I watched a video recording from my teacher almost every day.

Students who did not miss school because of COVID illness or quarantine can select the "Does Not Apply to Me" option.
