Does Not Apply To Me

Survey Items (9)

- When I was out of school, I was able to work with my teacher and classmates online.
- It was easy to use my device (i.e., computer, Chromebook or smartphone) to do assignments, quizzes and other schoolwork when I was out of school this year.
- When I was out of school, my teacher taught lessons almost every day using video (i.e., Zoom, Microsoft Teams, Google Meet/Classroom).
- When I was out of school, I watched a video recording from my teacher almost every day.
- When I was out of school, my teachers were available when I needed help (i.e., through virtual office hours, email, chat).
- I was able to keep up with my schoolwork when I was out of school.
- When I returned to school after being out, I was ready to work on what the rest of the class was learning.
- When I was out of school this year, I learned new things.
- I feel good about what I learned when I was out of school this year.

Students who did not miss school because of COVID illness or quarantine can select the "Does Not Apply to Me" option.
