ALTERNATE K-PREP STANDARD SETTING PARTICIPANTS NEEDED

The Kentucky Department of Education (KDE) is seeking Kentucky educators (both general and special education/low incidence) to help with the Alternate K-PREP Standard Setting work set to occur **June 17-21**. The work will consist of setting standards (determining cut scores for performance levels: Novice low and high, Apprentice low and high, proficient and distinguished) for reading, writing, mathematics, science and social studies.

A \$200.00 stipend per day (anyone not under contract with the district on the selected day of participation), plus meals and mileage, will be offered to anyone selected to participate. Also, anyone traveling more than 75 miles each way will be able to request overnight lodging. **Selections will be filled on a first come, first serve basis.** For anyone interested in participating, please fill out and submit the online application found in the link below. The last day to complete the application will be **May 10**. If selected you will be contacted by the University of Kentucky to provide additional information, complete any needed travel arrangements, and receive specific meeting details.
