

WORK SAMPLE REQUIREMENTS IN AAF

All work samples included in the AAF must contain the following information in order to be considered complete. This information identifies student participation, content area and standard information:

- Student Name
- Date
- Grade
- Content Area
- Standard Represented
- Score (%)

Here is an **example** of how a work sample should be represented at the top of each page:

John Doe

December 4, 2012

Gr: 10

Mathematics

(Standard) 10.3

85%
