

# 2021-2022 Accountability Indicator and Overall Cut Scores

Using data from the 2021-2022 school year, Kentucky’s new accountability system will provide an overall color-coded rating for each school, district and the state ranging from red (lowest) to blue (highest).

The cut scores below define performance expectations for each indicator and the overall school rating. For 2021-2022, state indicators will be evaluated on status only. The cut scores determine how schools are reported in the online colored dashboard required by state law.
