9:00 a.m. – 3:00 p.m. ET

(8:30 a.m. continental breakfast;
lunch is also provided)

Kentucky Society of CPAs

1735 Alliant Ave
Louisville, KY 40299

We are seeking manufacturing professionals to support the KDE in a review and validation process for this career pathway.

During the panel, business professionals will be guided to:

- Highlight trends impacting employees' needed skills and knowledge
- Identify certifications and credentials of value
- Discuss how work in manufacturing is changing

Qualifications:

- Currently employed full-time
- 3+ years of continuous experience in manufacturing

No advance preparation is needed.

The insights you give will be based on your professional work experience.

EDUCATION PARTNERS

MBA Research is partnering with the Office of Career and Technical Education at the Kentucky Department of Education (KDE) to conduct a Futuring Panel in May.

This panel of business and industry professionals will ensure that Kentucky's educational institutions are teaching the skills and content that matter most to employers now and in the years to come by reviewing and validating existing content standards for these career areas in Kentucky.
