

ARTICULATION AGREEMENT

Between

**Family & Consumer Sciences Education
Kentucky Department of Education – Office of Career & Technical Education**

and

**The Culinary Arts Program of the
Employment Solutions, Inc. / College for Technical Education**

In an effort to provide increased education and training opportunities for students, the Kentucky Department of Education and the College for Technical Education have agreed to cooperate in an initiative to provide a seamless educational pathway for secondary students enrolled in the Culinary Arts career pathway. Specifically, the purpose of this agreement is to grant college credit to these high school students for their coursework and training at the secondary level.

Students will be granted credit at the College of Technical Education if all of the following criteria is met:

1. Earns a pathway completion certificate (four approved credits) for the Culinary Arts pathway within the immediate past three years.
2. Earns a letter grade of "C" or better in all pathway courses.
3. Passes the Culinary Arts KOSSA or AAFCS Pre-PAC Assessment.
4. Submits documentation, signed by school personnel, indicating all requirements have been met.

Upon successful completion of the requirements above, students will receive credit for the following courses:

CUL 110 (2 credits) Safety and Sanitation
CUL 100 (5 credits) Culinary Math and Writing
