COUNCIL RECOGNITION
The Commonwealth of Kentucky is committed to facilitating its citizens’ access to the proven advantages of Registered Apprenticeship training. Quality pre-apprenticeship programs can provide an important bridge to apprenticeship for Kentuckian who may lack the skills or experience, but not the motivation, to take that step in their career path.
Though pre-apprenticeship training is not subject to laws governing the Registered Apprenticeship system, it has a direct effect on stakeholders in that system. For the benefit of those stakeholders – the workers, employers, and apprenticeship sponsors of Kentucky – the Kentucky Labor Cabinet establishes the following means to identify and publicly recognize quality pre-apprenticeship training.

Part 30, as amended, and Kentucky Employment Opportunity in Apprenticeship and Training” set forth in KRS Chapter 344 and must also include provisions for ensuring fairness in recruitment, selection, and treatment of trainees.

(B) Enrollment – The operating plan must state the criteria for eligibility to enroll in the program, and describe the application, selection, and enrollment procedures. All methods used in, and leading to, the selection of applicants for pre-apprenticeship, shall be applied consistently and fairly, and shall be subject to approval by the Cabinet.
